**General Information:** The Cypress-Fairbanks I.S.D. Reality Oriented Physical Experiences Program provides an outdoor educational environment that develops the skills of an effective communicator, competent problem-solver, self-directed learner and responsible citizen.

Participants are taught these skills through warm-up games, initiatives and low and high challenge course elements while being guided by a trained facilitator. The level of participation is voluntary at all times.

Parents/guardians are responsible for transportation to and from camp. Students will need to dress for the weather and bring plenty of water for the day's activities.

T-shirts will be ordered for those registered by the deadline and distributed at the camp. Registrants who miss the deadline will receive their t-shirts mid-July.

**Registration Information:** Make checks/money orders payable to CFISD-ROPES. Please mail or drop off the completed registration form along with payment to the Office of Community Programs located at the Cy-Fair Annex at 22602 Northwest Freeway, Cypress, TX 77429. There is a drop box located on the west side of the building for after-hours drop off.

Parents/guardians will receive a confirmation email along with a waiver that must be brought with the student on the first day of camp. For inquiries, please contact Kelsey Richardson at 281-517-6841 or [CyFairRopes@cfisd.net](mailto:CyFairRopes@cfisd.net).
